

No.32-5/2004-NDM-I
Government of India
Ministry of Home Affairs

**Subject: Impact of Earthquake in Indonesia , A &N Islands and other coastal States –Relief,
Rehabilitation and other follow up measures**

The Tsunami have caused extensive damage in Andaman & Nicobar Islands, the States of Andhra Pradesh, Kerala and Tamil Nadu and UT of Pondicherry. The death toll has already reached a figure of 7368. This will go up once confirmation regarding 5900 missing persons/feared dead in the Nicobar Group of Islands is received. The details are given in the [Annexure I](#).

2. The Tsunami affected a total of 2260 Kms. of the coast line besides the entire Nicobar Islands . The tidal waves on the mainland were of the height of 3 to10 meters. These penetrated into the mainland from 300 meters to 3 Kms. The details are given in the [Annexure II](#).

3. The Government of India in association with the States/UTs have mounted massive relief and rescue operations. Now the main focus is on relief and rescue operations in Nicobar Group of Islands and relief and rehabilitation in mainland States. The MOD (INCP/IDS) have been requested to step up airlifting/airdropping of relief material to Nicobar Group of Island . The Navy is making arrangements to reach supplies to Car Nicobar through ferry by boat by Ship to the shore . The detailed situation report is given in the [Annexure III](#).

ANNEXURE III

Government of India Ministry of Home Affairs

Detailed situation report on the impact of Earthquake/Tsunami in Indonesia , A & N Islands and other coastal States- Relief, rehabilitation and other follow-up measures

The second meeting of the Group of Ministers (GoM) constituted for monitoring relief and rehabilitation measures was chaired by the Prime Minister on 29th December 2004 and the following actions have been initiated:

- i) One officer each has been positioned in mainland and Car Nicobar for preparation of an integrated Plan for relief and rehabilitation.
- ii) 4053 tourist have been taken out of Port Blair by Indian Air lines and Jet Airways. Special flights are continuing .
- iii) 5.2 MT of drinking water airlifted and airlifting of 3.5 MT and 20,000 pouches are lined up.
- iv) MHA is tying up arrangements with Ministry of Civil Aviation for dedicated supply of drinking water pending long term arrangements.
- v) State Governments/UTs Administration concerned have been requested to make assessment of damage to fishing boats and fishing nets.
- vi) Seven officers of the Ministry of Home Affairs have been deputed to assist the States/UTs and provide an interface between the Centre and the States/UTs.

The Group of Ministers further reviewed the situation on 30th December,2004 ,

Five aftershocks of varying intensities between 5.1 and 6.1 in Richter scale on 29th December and four aftershocks between 5.2 and 5.8 in Richter scale were experienced on 30th December 2004 in various locations in Andaman Region..

IMD informed about the message originating from Australian pacific warning center stating that another tsunami may hit Indian Ocean in the afternoon of 30th December,2004 in the event of an earthquake of high intensity which may occur near Australian region. Pending analysis and assessment of the available information , an advisory alert has been issued by the Ministry of Home Affairs to the concerned States/ UTs and Central Ministries and Departments, to put their administrative machinery on vigil. There is no information about any earthquake of significant intensity, so far.

The massive relief and rescue operations mounted by the Government of India in association with the States/UTs are continuing round the clock. The priority is on relief supplies and evacuation in Nicobar Islands and rehabilitation in the affected States/UTs. The MOD(INCP/IDS) were advised to further step up airlifting and airdropping of relief material to the Nicobar Group of Islands. The Navy is making arrangements to reach supplies to Car Nicobar through ferry by boat by Ship to the shore. One Indian Coast Guard ship arrived Hut Bay and at Cambell Bay on 30th December,2004 with relief materials.

An Ex-gratia of Rs.1.00 lakh has been announced to the next of the kin of the deceased from the PM National Relief Fund, in addition to the assistance available from the National Contingency Relief Fund. The National fund has been augmented by Rs. 500.00 crore. The funds are being released to the States/UTs pending final assessment of requirements. The Cabinet has also decided to donate one month salary to the PM National Relief Fund. The Prime Minister has appealed to the people donate generously to the PM National Relief Fund and also requested the Government employees to contribute at least a day's salary.

STATE/UT WISE STATUS

ANDAMAN & NICOBAR ISLANDS

ANDAMAN ISLANDS

Shipping:

- Damage to harbour and Jetty in both civil and naval port facilities.
- One harbour at Port Blair is now fully functioning and is receiving large ships.
- About 60% capacity made functional
- Two earthquake design experts stationed at Port Blair for advice on reconstruction of Harbour/Jetty
